

POSITION TITLE: Sound Technician

REPORTS TO: Worship Pastor

STATUS: Volunteer

RESPONSIBILITIES:

- Setting up and configuring microphones, mixers, amplifiers, speakers, and other audio equipment for live events, recordings, or broadcasts.
- Monitoring and adjusting audio levels, equalization, and effects during live performances or recordings to achieve a balanced and clear sound.
- Identifying and resolving technical issues with audio equipment, including diagnosing problems and performing minor repairs.
- Working with other members of the production team, such as performers, directors, and lighting technicians, to ensure smooth and successful events or recordings.
- Creating the set lists on playback program, operating music for rehearsals and worship services, making adjustments to synchronization of instruments on tracks and the ability to troubleshoot when errors occur.

TIME COMMITMENT:

- Thursday evening rehearsals, Sunday morning rehearsals and worship services
- As needed for special events and holidays

HOW TO APPLY:
